## Projects

### Netflix clone

Netflix clone

- Netflix clone implemented in **HTML, CSS and JS**.
- Designed a visually appealing layout, inspired by Netflix's UI, that focuses on user experience with intuitive navigation and sleek, responsive design.
- Implemented a grid-based content structure to effectively showcase movies and series, ensuring a consistent viewing experience across devices.

### Tribute page

Sadhguru tribute

- The Sadhguru tribute page offers a seamless user experience by allowing visitors to switch between dark and light modes. This ensures visual comfort and accessibility across different lighting environments.
- Sadhguru is a spiritual leader and yogi whose teachings focus on inner well-being and personal growth. He founded the Isha Foundation, which offers a range of yoga programs and environmental initiatives.
- His message encourages individuals to live a conscious and joyful life.
